CHAUTAUQUA TO OPEN MONDAY

Splendid Program Arranged for Marion This Year—High Class Attractions to be Presented

Next Monday the Big Redpath Chautauqua will open with one of the finest programs yet presented. Everything possible has been done by the Redpath program builders to make this year's Chautauqua full of high class entertainment and up-to-the-minute lectures.

The Collegian Male Quartet, a notable singing and brass quartet will be the opening attraction. The Collegians are not only singers and instrumentalists but are also capital entertainers. At night after a popular concert by the Collegians, Hon. Charles H. Hough, well-known educator and former governor of Arkansas will give his popular lecture "America's Leadership of the World." He holds the degree of doctor of philosophy from John Hopkins University, being one of the few men who have served as governors of American commonwealths to receive this degree. He is well known as a writer on state and national problems.

In the second afternoon some of the most popular scenes from favorite light operas will be given by the Montague Light Opera Company. The members of this company are experienced concert musicians and dramatic entertainers whose abilities have been tested by many seasons of successful Chautauqua tours to every part of the United States. Selections will be given from "Robin Hood," "The Mikado," "Madame Butterfly" and other light opera successes which insure a most pleasant afternoon's program. In the evening the Montague Light Opera Company will give a short concert followed by a lecture by Dr. H. B. W. Hart, doctor Hart is a member of the National Executive Council of the Boy Scouts. During the war he was chief of the educational division of the foreign press bureau of the Committee on Public Information. His lecture, "The New Industrial Day" will be one of the high lights of the week.

On Wednesday afternoon Irene Strickland and accompanying artists will give an artistic recital. Miss Strickland is one of the leading young artists in the United States. Her recital will give a rare treat if they do not hear this splendid concert on the third afternoon. In the evening Miss Strickland and accompanying artists will give a short concert which will be followed by Sidney London's his impersonations of great literary men.

On Thursday the fourth day of the Chautauqua comes the popular Chautauque Kura Trio. Following their concert Evelyn Hansen will give her lecture demonstration "Well Dressed on a Moderate Income." Miss Hansen will use actual models and her talk will be of the greatest interest as well as of practical worth. In the fourth night one of the big features of the Chautauqua will be given. The most enjoyable comedy, "Tain to the Right" will be presented by an all Metropolitan cast. This is a play that is full of good wholesome fun, thrills and the tenderest mellow heart interest.

Laurance's Little Symphony Orchestra will be the attraction of the fifth afternoon and will give a program that will prove to be a real musical treat. The Little Symphony is composed of four violins, two cellos and a piano. In the evening Judge Mason A. Kavanagh of Chicago will give his lecture "Traitors to Justice."

"What am I going to do?" "What line of work am I fitted for?" are some of the questions that are puzzling the young man and the young woman of today. On the sixth afternoon Chester Milton Sanford will answer these very questions. Mr. Sanford's subject will be "The Fallure of the Mississ." On the sixth night another big feature attraction will be presented. The play "Friendly Enemies" will be given by an "A No. 1" cast and is sure to prove one of the big features of the week.

In the last afternoon Vierra's Hawaiians will give a complete concert. At night they will give a short concert followed by Jess Pugh in his great Joy Night program. Mr. Pugh is a humorist of note and furnishes a happy ending to a week full of good clean entertainments, interest-

Great Comedy, "Friendly Enemies," a Chautauqua Attraction

"Friendly Enemies" is one of the most popular of recent comedy successes. Scores of cities throughout the country have alternately laughed and wept over this irrepressible comedy drama whose plot grows out of the conflicting convictions of two lifelong friends. A complete production of "Friendly Enemies" will be given at the coming Redpath Chautauqua by a cast of experienced Broadway actors organized by William J. Keighley, manager of the New York City Producing Department of the Redpath Bureau.

Farm Bureau Notes

Lambs

Two car loads of lambs and sheep were marketed Saturday June 17 at Marion in cooperation with W. D. Bulenger live stock dealer. The lambs for the top car were docked and castrated withers and docked ewe lambs all carrying some little fat. The docked and castrated lambs sold for \$10.50 and those not treated for \$9.50 a cut. In brief it means the farmers who docked and castrated received an average of about 70c more per lamb than those who did not. The treated lambs presented a much neater appearance as well. Any farmer can well afford to treat his lambs for 70c and remember the losses run less than one percent.

The lambs were quite noticeable that came from pure-bred flocks standing out plainly above those of scrub breeding in weight and motion type. No farmer can afford to use anything but a pure-bred buck on his ewes.

The market has dropped over \$1.50 in the last 10 days. If the lambs could all have been at 70 pounds on June 1 the profits realized would have been considerably greater. Every sheep owner should plan this summer to use a pure bred buck, breed in September and have February lambs, castrate and dock at two weeks, push right along by proper feeding until pasture is good, market at 70 pounds the first of June and avoid the hot weather and summer parasites. You will find also the price is better at this time than later.

Sheep are good to clean up saw briars, sassafras bushes and weeds. Crittenden County's 1922 wool pool ran 81 percent clean wool and the buyers on learning that this county produces a very desirable quality of wool plan to foster and improve that reputation. Many parts of the county are ideal for sheep and good sheep properly cared are profitable.

The County Fair

Are you planning on having an exhibit at the Crittenden County Fair this fall? It will come in the early fall and will be the biggest fair the county has ever had. Liberal premiums and instructive lectures and splendid concerts.

There has also been arranged a Junior Chautauqua for the children which will start the third morning when characters from the story books will be given by Katherine Scott and Catherine Denny. On the fourth morning the Kramer Kura Trio will entertain the youngsters and the fifth day will see them mystified by the Rural Brothers, two clever magicians. On the sixth morning Mary Mason's Marionettes will bring the Junior Chautauqua to a close and the kiddies will have a wonderful week of fun and amusement.

Kentucky Crops

General crop conditions in Kentucky are shown to be 11.6 percent above the 10 year average in the farm crop report for this state issued by the United States Bureau of Marketing in cooperation with the State Commissioner of Agriculture W. C. Hansen. The condition of crops in Kentucky June 1 indicated the production of approximately 8,644,000 bu. of wheat, 6,000,000 bu. of oats, 176,000 bu. of barley, 3,947,000 bu. of corn, 1,100,000 bu. of hay, 3,947,000 bu. of apples and 1,100,000 bu. of peaches. Actual yields may turn out less or more than these estimates, depending on whether conditions are favorable or unfavorable between now and the time crops are harvested or stored.

Make use of the exchange list in the County Agent's office. The more that use it the more valuable it becomes.

A CALL

Democratic County Committee is called to meet at the Court House in Marion Saturday June 24 at 1 o'clock. Full attendance is urged for the transaction of very important business.

C. S. NUNN, Chairman

MRS. WYNNE DIES

Mrs. Nancy Wallace Wynne, wife of the late H. W. Wynne, died Saturday at her home at Sullivan, aged 81 years. She was a well known and much respected woman of that section.

Funeral services were held at 11 o'clock Sunday at the Cumberland Presbyterian church at Sullivan, conducted by Rev. W. T. Oakley in the presence of a large congregation. The remains were laid to rest in the new cemetery at Sullivan. Mrs. Wynne is survived by seven children.

DON'T HAVE RASTERS

Mrs. D. H. P. Rast, who, when fighting exposures with the snake was given to the Press last week and whose husband in that exposure will be admitted by even the most cynical of our readers was in our office a few days ago and told the news editor that the paper had it wrong. It was not she who had hysterics, but it was her husband who was hysterical. Her husband who was present and heard the accusation, did not deny it. The Press is glad to make the correction.

SENIOR-SCHOOL CONVENTION

The Crittenden County Sunday School Convention will be held at Pleasant Hill church Friday July 28. All Sunday schools are asked to send representatives and all Sunday school officers are invited to be present. E. F. DEAN, Co. Pres.

NEW BUILDING TO BE DEDICATED

Miss Mary Cameron is having laid the foundation of a brick building on the west side of South Main Street, on the site of the residence building which was destroyed by fire some time ago. It will be a one-story structure and will be divided into two store rooms each 24x72 feet. Mr. G. E. Houston is superintending the work.

TEACHERS EXAMINATION

The second examination of the year for applicants for certificates to teach school was held Friday and Saturday June 16-17. Fifteen applicants for certificates were before the county board of examiners. This is the last examination to be held under the old law. Hereafter all persons must attend High School before becoming qualified to teach school.

At the first examination held on May 19-20, thirty-six applicants were examined and out of this examination the State Board of Education awarded fifteen elementary certificates to teach.

WILSON HILL RESIDENCE

The Wilson Hill farm residence near town is being papered, painted, overhauled and otherwise improved. Among the improvements to be put in is a concrete floor and a back porch, under which is to be constructed a cellar seven feet deep walled with brick, all of which will add much to the appearance and utility of the building.

BREW BROWN SMOKE STACK

During the wind storm last Saturday afternoon the smoke stack of the Marion Electric Light and Ice Company was blown down. Temporary arrangements were made and the service was not interrupted. A new stack is now being placed in position, which when completed, will be the first one since the plant was built.

FAIR SERVICE TO BE FURNISHED BEGINNING ON MONDAY JUNE 26

For the accommodation of many friends who have made the request, we will furnish current for fans and other uses as demanded, beginning at noon, 12 o'clock sharp each week day and continue through the afternoon. The Tuesday and Thursday morning service will be discontinued.

Marion Electric Light & Water Co. S. M. JENKINS.

Prof. Jno. V. Brown who has been re-elected as Athletic Coach and English teacher of the Marion High School is Superintendent during the summer of the White and Myers Chautauqua.

POPULAR MARION GIRL WEDS IN TEXAS

A pretty home wedding in which Miss Mary Juliet Pope of Marion, Ky., became the bride of Mr. H. H. Gregg of Dallas, occurred at the home of Mr. and Mrs. M. H. Hallow in the Pleasant Grove community Wednesday afternoon at four o'clock. The home was beautifully decorated with pink and white flowers.

The bride entered with Miss Clara Feltus, maid of honor, while Mr. Harry Burton was best man. Mr. H. H. Gregg of Fort Worth rendered Lohengrin's wedding march as the bridal party entered. President J. L. Ward of Decatur Baptist College, officiated, using the ring ceremony during which Mrs. Young at the piano softly played "Meditation." The party retired to the strains of Mendelssohn's march.

Only a few guests besides relatives were present.

The bride of this happy occasion is one of Kentucky's fairest belles, and is a member of one of the oldest families of the Blue Grass state. She is the daughter of Mrs. Elizabeth Pope of Marion, Kentucky. For several years she has been a member of the faculty of the Tishomingo, Oklahoma high school and she is highly regarded in that city for her value as an instructor and her personal worth and lovable disposition. On several occasions she has been the guest of Miss Hallow, who also teaches in Tishomingo, at the Hallow home south of Decatur and it was during one of these visits that the romance began which on Wednesday culminated in uniting the lives of these splendid young people. The bride is a very attractive young lady talented to a high degree and her charming personality has gained for her many friends in this community.

Mr. Gregg is a native of this state and has grown to manhood here. He is well known as an honorable, industrious and successful young man and a member of one of the oldest and most highly respected families, being the son of Mr. and Mrs. M. Gregg. During the World War Hirsch served his country with the ninety-third division in France. He is now a member of the Fly House Company, wholesale grocers. Mr. Gregg makes and holds many good friends and his energy and ability portend a successful future in the business world.

Messenger joins the many friends in hearty congratulations. Mr. and Mrs. Gregg left Wednesday for their new home in Dallas (Text Messenger).

Miss Frances Gray spent Saturday and Sunday in Evansville.

Miss Virginia Reed represented the Marion Methodist Sunday School at the Annual Assembly for Sunday School workers of the Louisville Conference held at Russellville last week.

BRIDGE MEETING HERE TUESDAY

Union and Crittenden County Representatives Meet in Joint Session

Some forty or more citizens of Morganfield and Sturgis, representing the Kiwanis Clubs of these cities drove over from Union county Tuesday to attend the bridge meeting held at the court house here at 1:30 o'clock Tuesday. Owing to the lack of proper advertising only a small number of Crittenden county people were present at the meeting. Previous to this the fiscal court of Union county had appropriated the sum of \$12,000 as that county's part in the construction of a proposed bridge across Tradewater river at the mouth of Cypress, the boundary line between the two counties.

County Judge E. Jeffrey Travis gave the opening address explaining the object of the meeting. He told them he wanted the bridge. He said the people of the two counties were not as closely allied as they should be.

Mayor Kern of Sturgis gave the next address. He advised co-operation between the two counties and said the building of the bridge would be the means of more closely uniting the people as neighbors and friends.

Supt. Jenkins of the West Kentucky Coal Co. addressed the meeting and stressed the business advantages of the bridge across Tradewater.

Supt. Herbert of Bell Coal & Navigation Co. said the citizens of the northern part of Crittenden deserved and ought to have the bridge. He said that in the days of Daniel Boone and the Indians when they wanted to cross Tradewater they crossed in a boat. He told them that in that respect that part of the county had not improved; they still had to cross in boats. He said it was not right to force those people to endanger their future lives by crossing like a blue streak every time they tried to cross Tradewater and get stuck in the mud.

Judge J. W. Hise was called for and responded. He said he might be called a liner as he owned property on both sides of the line. He wanted the bridge but not from a selfish standpoint. He believed that the people of Crittenden if given a vote would be for the bridge.

Judge T. S. Nunn was called for and in response he told them that his forebears resided in the northern part of the county. He wanted the bridge and thought it ought to be and would be built.

The meeting closed with an address by J. T. Dudge in which he said he was interested in both counties and wanted the bridge so that he could the better make the trips back and forth.

MARION GIRL WEDS

Mr. Elton Boyd Taylor and Miss Betty Ather were married at the home of Dr. F. P. Brown, pastor of the First Baptist church of Knoxville, Tenn., Monday afternoon at 5:30. The marriage is the culmination of an engagement lasting seven years and began while the two were attending the University of Kentucky. Mr. and Mrs. Lewis F. Shaver, of Transfordsville, Ind., attended the ceremony.

Mrs. Taylor comes from a prominent family of Marion, Ky., and has been engaged in teaching in the public schools at Paducah and Marion, and the past term taught in the Marion High School. Her mother, attending the University of Kentucky, she also attended the State Normal at Kentucky for one year.

Mr. Taylor came to the mountains in January and has been a patient here since that time. The resignation of Mr. Brown as pastor of this church was given last week.

Mr. Taylor was a member of the University of Wisconsin for one year and then attended the University of Kentucky receiving the degree of Bachelor of Science in two and one half years. He is a member of the Alpha Sigma Chi fraternity. During the war he served with the 87th Division and was later assigned to the Balcon Corps as Sgt. 1st class.

Mr. and Mrs. Taylor will be at home to their many friends in Johnson City after June 24th. Johnson City Staff, Johnson City, Tenn.

OUR CHAUTAUQU

Before another issue of the Press reaches you the Chautauqua will be in our midst. Once more we will have the opportunity to hear and see the best talent of Broadway; an opportunity to hear poems from the greatest lecturers; to broaden your views on modern education. The program this year promises to be one of the best that the Redpath management have produced, containing as it does lecturers, musicians, artists and dramatic talent unsurpassed for excellence.

Some of us may have the privilege of seeing things of this character at other times and other places but the Chautauqua places this privilege within the reach of us all. Every family in Crittenden county should have one or more season tickets as all to insure regular attendance. Let season tickets for the family you are thereby laying on treasure that will be returned a thousand fold in the form of entertainment and education.

Crittenden County Court
Commonwealth of Kentucky
By V. O. Chandler, Sheriff, Plaintiff,
vs. John C. Angell, Assignee Bell & Heath Mountain Coal Mining Co., Defendant.

By virtue of a judgment rendered in the above styled action I will on Monday the 19th day of July 1922 between the hours of 10 A. M. and 2 P. M. at the front door of the Court House in Marion, Crittenden County, Kentucky, expose for sale to the highest and best bidder for cash the following described property or as much as may be necessary to satisfy the amount of taxes, penalties, Suits and Costs assessed against said property and costs amounting to the sum of \$85.00.

The minerals and right to mine the same in and under the following described tract of land conveyed to the Bell and Heath Mountain Coal Mining Company by Caroline M. Carville on the 1st day of Sept. 1866 by deed of record in Deed Book II on page 325 in Crittenden County Court Clerk's office and described as follows:

FIRST TRACT Beginning at a black oak, William Newsum's second corner running thence N. 6 W. 101 poles to an ash, elm and hickory on the bank of Tradewater river, said Peter Casey's upper corner of Survey No. 88, thence S. 70 E. 212 poles to an elm on the bank of a branch on Dudley Newsum's corner, thence S. 80 W. 28 poles up the branch to a sweet gum on the bank of the branch, thence S. 57, 30 W. 16 poles to an elm and sweet gum up the branch above the road passing from Salem to Morgantown, Kentucky; thence S. 17 W. 26 poles to a hickory near the fence of and a corner to William Newsum, thence N. 78 W. 146 poles to the beginning containing 100 acres.

SECOND TRACT Being the same conveyed to W. C. Carville on 13th of Sept., 1888 by Theo. F. Newsum and wife and bounded as follows: Beginning on a black oak and running thence North 178 poles to a stake in line of original survey thence West 40 poles to a post oak, thence S. 21 W. 120 poles to a black gum, thence S. 18, E. 30 poles to a black oak, thence S. 70 E. 82 poles to the beginning containing 74 acres more or less.

THIRD TRACT Conveyed by R. H. Young and wife to W. F. Carville on 1st day of March 1897 and bounded as follows: Beginning on a hickory, lower corner to John Hodgkins, running thence West 200 poles to a post oak; thence North 160 poles to a hickory and dogwood, thence East 100 poles to an elm on the bank of the river, thence with the meanderings of the river, namely Tradewater, to the beginning containing 200 acres more or less.

Hail Insurance Rates Reduced on Tobacco

With the recent reductions of hail storm insurance rates on

growing tobacco, in the face of the enormous losses to growers within the last four or five years, every grower can afford to protect himself to the limit and, with safety, go into the business of producing a crop that requires so much money, time and labor, as does tobacco, that should be insured against loss by hail storms.

Now that so many growers have gone into an organization for a more economical businesslike way of handling their crops, and the insurance companies have so lowered rates on hail insurance, there is no reason in the world for any grower to neglect the protection of his crop by ample insurance.

Better see your insurance agent right away and have him protect your crop which is likely to be destroyed any day by a hail storm. Policies become effective noon, July 10th.

Mr. and Mrs. J. M. Lansdale of Blackford were in the city Monday shopping.

Albert Mick and family motored from Marion, Ky., and are visiting Mrs. Mick's sister, Mrs. Floyd Marling at Rosedale, Elizabethtown Independent.

Studebaker

STUDEBAKER builds more six-cylinder cars than any other manufacturer because Studebaker builds them better. We can show you 84 definite points of superiority in the Special-Six over Studebaker's nearest competitor. In times of close competition, merit wins. Today competition in automobiles is keener than it ever was, because people are

buying more carefully than ever. Studebaker increased its sales 29% in 1921, though the industry, as a whole, showed a falling off of nearly 45%. 1922, up to May 1st, shows a gain in Studebaker production of 143% over the same period of 1921. Studebaker sales records tell their own story. The buying public has declared for Studebaker's superiority.

Touring, \$1475; Roadster (2-Pass), \$1425; Roadster (4-Pass), \$1475; Coupe (4-Pass), \$2150; Sedan, \$2150. All prices f.o.b. factory.
